Food Processing Equipment By Hughes

MACHINERY FOR PROCESSING Vegetables, Fruit, Pasta, Rice, Meat, Other Foods

Food processors throughout the world rely on Hughes Equipment for innovative processing solutions and a best-in-class customer experience. Based on our 50+ years of experience and our deep industry knowledge, we design our equipment to streamline food processing operations and to produce top quality foods, maximizing the percent of saleable product and increasing profit.

Complete Line of Equipment and Parts

Our equipment is used in the seed corn, canning, frozen, fresh market and other food sectors. We offer a full line of parts. Hughes accepts Visa and Master Card for equipment and parts, and has equipment leasing options.

Experienced Engineering and Design

Count on Hughes for quality construction, innovative engineering and reliable service. Our knowledgeable engineers have an unsurpassed ability to design equipment to your needs.

PACIR™ Plant Operations Analysis

Our new, proprietary PACIR™ operations analysis will reveal opportunities for new efficiencies in your facility. Call today to learn about PACIR™ – Process Analysis and Continuous Improvement Review.
